

ABOUT STUDIO IN A SCHOOL

Studio in a School brings quality visual arts education to public schools and community-based organizations across New York City's five boroughs.

We foster the creative and intellectual development of students from 3K to 12th grade through exemplary visual arts instruction. Since our founding in 1977, Studio has served over 1.2 million students, helping them discover, learn, and grow. We also provide professional development opportunities for teachers, sharing our expertise to further support educators' work in classrooms and beyond.

We fulfill our mission through two divisions: Studio NYC, which provides visual arts programs directed by arts professionals, and Studio Institute, which shares professional learning, partnership programs, arts internships, and research grants in local and national forums.

EXHIBITIONS AT STUDIO IN A SCHOOL

Studio in a School shares public exhibitions to celebrate our students' extraordinary artworks. We exhibit works year-round at the Studio in a School Gallery, at One East 53rd Street in Manhattan. We also partner with institutions, such as Montefiore Einstein and Christie's New York, to mount large-scale exhibitions.
